

Job Description – Internship IT Systems and Infrastructure Administrator

Company Profile

RiverBank is a specialised lender dedicated to financing Small and Medium Enterprises with a focus on Benelux, Germany and France. RiverBank operates under a full European Banking License allowing it to cover all European countries.

RiverBank's mission is to combine the best of the fintech and banking world. As experienced bankers, we commit the bank's balance sheet to grant loans which we analyse using a fundamental credit approach. As a fintech player, we digitally source, process and monitor the loans. Riverbank is growing fast both organically and through acquisitions.

As a young company, the talent and passion of our people is critical to our success. Together, we share a common set of values rooted in integrity, excellence and strong team work. RiverBank will offer an entrepreneurial environment within the regulatory banking framework - a place for people to learn, to achieve and grow. Our culture will promote diversity and individual perspectives in an international environment, represented by more than 10 nationalities.

Department Profile

The mission of the IT department at RiverBank is to provide all the IT and communication infrastructure, both functional and technical, that are necessary for the Bank to conduct and expand its business products and channels. In addition, it must ensure that the IT and communication environment of the Bank meets the required standards in terms of security, integrity, availability and confidentiality to comply not only with regulatory requirements but also with the expectations of the Bank's clients and employees.

Job Profile

- Provide day to day IT support across all departments of the company
- Perform maintenance of IT systems, network and services
- Follow up of tickets entered into the tracking system
- Enquire and report IT-related incidents in the incident management tool
- Support projects related to infrastructure and platform development

Qualifications and Experience

- In pursuit of a bachelor or master degree
- Knowledge of Windows 10
- Good communication skills
- Team player
- Fluent in English
